**Royal Care Super Speciality Hospital Recently Achieved SRC's
Center of Excellence in Neurosurgery**

1st in India and 7th center in the world

Royal Care Super Speciality Hospital, Coimbatore recently achieved accreditation from **Surgical Review Corporation - U.S.A** as a Center of Excellence in Neurosurgery. This accreditation recognizes **Royal Care Super Speciality Hospital's** commitment and high standard of delivery of quality patient care and safety also, has met nationally and internationally recognized standards. This is the first hospital in India to receive this highest standard of accreditation.

Health care facilities and surgeons seeking an SRC accreditation undergo an extensive assessment and inspection process to ensure the applicant meets SRC's proven standards and requirements. These requirements include surgical volumes, facility equipment, clinical pathways and standardized operating procedures, an emphasis on patient education and continuous quality assessment. Inspectors educate staff in the accredited departments on best practices to help an organization improve its care and services.

"We're proud to announce that **Royal Care Super Speciality Hospital's** for its commitment to advancing and providing quality care for all patients," said Dr. K. Madeswaran, CMD of the hospital. "This accreditation signals that this facility (neurosurgery) is among the best in this specialty and is dedicated to delivering the highest level of care possible" also he added.

Dr. K. Madeswaran M.Ch (Neuro Surg)., Chairman, Consultant Neuro & Spine Surgeon ,has been accredited and certified as a Master Surgeon in Neurosurgery, He is the first Neuro Surgeon in the country to be awarded Master Surgeon.
